Request for a Donation of Children's Clothes for a Children's Home in the Philippines

Mach 25, 2003

Dear _____

Ka mag-anak is a charity association with the goal to earn money with it's activities to be able to start or help social projects in the Philippines.

Our next activity is to collect children's clothes, which we want to send to a children's home in the Philippines. The transportation is not a problem because we at our last event (the foundation celebration) Ka mag-anak got as a donation a free <Balikbayan Box> to any location in the Philippines.

Therefore we want to ask you if you have some clothes for that purpose available. All companies and institutions, which help with this project, will be mentioned in the project report in the web site of Ka mag-anak.

Warm regards and hoping for a positive decision

Andreas Schütz (Secretary)
